FLEECE SHORT WITH ZIP POCKET

Sizes: XS, S, M, L, XL, 2XL, 3XL, 4XL

Overview:

- Ideal for daily rugby workouts, these fleece shorts give you ultimate comfort with a casual style. VapoDri technology keeps you comfortable throughout your entire session by moving excess moisture away from your skin, while breathable fabric keeps you cool by allowing your legs to breathe. These shorts are stretchy and flexible with an elasticated waistband ensuring a secure fit while giving you full freedom of movement so you aren't restricted as you train. Two front pockets give plenty of room for cold hands or valuables with a zipped right hand pocket offering extra security.

Feature:

- VapoDri - quick drying, breathable, wicks moisture, boosts evaporation of sweat
- Elasticated waistband
- Two pockets with an additional zip pocket to one side

QUARTER ZIP FLEECE

Sizes: XS, S, M, L, XL, 2XL, 3XL, 4XL

Overview:

- Stay warm on even the coldest of days in this quarter zip fleece. Offering protection against the elements, while maintaining freedom of movement it will keep you comfortable whether training or cheering your team on.

Feature:

- 1/4 Zip Opening
- Cuff and hem binding

ELITE 1ST LAYER

Sizes: XS, S, M, L, XL, 2XL, 3XL, 4XL

Overview:

- An essential piece of rugby kit, the Elite 1st Layer can be worn for style or training. Made with VapoDri technology, this long sleeve top moves sweat away from your skin and dries it quickly, keeping you cool and comfortable no matter how hard you're working. The quarter-zip neck design gives you custom coverage on the go with a reverse coil matte look zip with zip guard protects your chin and neck from irritation. The mesh back panel in key heat zones, side panels and forward facing side seams make sure you can move comfortably and freely. Ideal for regular training sessions, quick dry fabric means you can wash today and wear tomorrow. Proudly show your support for the game whether you're committing to your own or cheering on players from the stands with the Canterbury logo on the chest.

Feature:

- VapoDri - quick drying, breathable, wicks moisture, boosts evaporation of sweat
- Forward facing side seams for comfort
- Side panels for ease of movement
- Mesh back panel in heat zones
- Reverse coil matt look zip with zip guard
- Binding on neck, cuffs and hem

VAPODRI COTTON SHORT

Sizes: XS, S, M, L, XL, 2XL, 3XL, 4XL

Overview:

- Ideal for daily rugby workouts, these lightweight men's shorts give you ultimate comfort with a casual style. VapoDri technology keeps you comfortable throughout your entire workout by moving excess moisture away from your skin so that when you sweat the shorts stay light and dry. Meanwhile breathable fabric keeps you cool by absorbing moisture and releasing it through the material itself, allowing it to breathe. These shorts are stretchy and flexible with an elasticated waistband ensuring a secure fit while giving you full freedom of movement so you aren't restricted as you train. Side seam pockets make sure your belongings are secure and dry. These shorts are finished with an embroidered Canterbury logo - the mark of a true rugby fan!

Feature:

- VapoDri - quick drying, breathable, wicks moisture, boosts evaporation of sweat
- Elasticated waistband and side seam pockets
- Casual fit

CORE VAPODRI LARGE LOGO TEE

Sizes: XS, S, M, L, XL, 2XL, 3XL, 4XL

Overview:

- The VapoDri Poly Large Logo Tee is ideal for workout sessions or training. The lowered back hem eliminates garment rise, reducing distraction during your workout and VapoDri technology wicks moisture away from your skin to keep you drier and more comfortable. The mesh back panel gives added breathability. The quick drying fabric means you can wash today and wear tomorrow, ideal for busy schedules of daily workouts and regular training sessions. The low profile collar and raglan sleeve shape have been crafted with the rugby physique in mind, giving a great fit for larger necks and deltoid muscle groups. It's finished with a perforated printed Canterbury logo for added breathability and a touch of style.

Feature:

- VapoDri - quick drying, breathable, wicks moisture, boosts evaporation of sweat
- Stylised raglan sleeve for comfort fit
- Low profile collar for performance fit, ideal for larger necks
- Mesh back for added breathability
- Quick dry for reduced wash-to-wear time

CORE VAPODRI SUPERLIGHT TEE

Sizes: XS, S, M, L, XL, 2XL, 3XL, 4XL

Overview:

- You'll have no problem taking and making hits in the superlight t-shirt. The lightest t-shirt in our collection so you can easily move towards the try line, it is made with VapoDri technology that keeps you cool and dry, while the quick drying fabric means you can wash today and it'll be ready to wear tomorrow. Ideal for the rugby physique, a low profile collar gives a performance fit, while the drop back hem means you don't have to worry about the t-shirt rising up during your workout. It's finished with a Canterbury logo - the mark of a true rugby fan!

MERCURY TCR COMPRESSION L/S TOP V2

Sizes: XS, S, M, L, XL, 2XL

Overview:

- When you've trained and played hard on the rugby pitch, it's important to help your body recover. With Mercury TCR Compression technology this men's long sleeve top is designed to correct your compressions levels. It provides graduated levels of compression from your wrist to your elbow and constant compression on the torso and upper arm to stabilise your muscles and reduce vibration. Mesh panels at the back and under the arms keep you cool and comfortable by absorbing moisture and releasing it through the material itself allowing it to breathe and anti-microbial, odour control fabric keeps you smelling fresh. This top is finished with a Canterbury logo on the front below the neck - the mark of a true rugby fan!

Feature:

- Mercury TCR Compression - graduated compression, quick drying, wicks moisture, flat stitched seams, odour control
- Mesh panel centre back and underarm for improved breathability
- CCC printed logo

MERCURY TCR COMPRESSION LEGGING V2

Sizes: XS, S, M, L, XL, 2XL

Overview:

- When you've trained and played hard on the rugby pitch, it's important to help your body recover. With Mercury TCR Compression technology these men's leggings provide a graduated compression where you need it most, improving your blood circulation to optimise your comfort and recovery. The fabric of these leggings moves sweat away from your skin and dries it quickly, keeping you cool and comfortable no matter how hard you're working and means you can wash today and wear tomorrow so you're always ready to perform. Anti-microbial, odour control fabric keeps you smelling fresh and the elasticated waistband makes sure you're comfortable and secure the entire time you're wearing the leggings. They're finished with a Canterbury logo - the mark of a true rugby fan!

Feature:

- Mercury TCR Compression - graduated compression, quick drying, wicks moisture, flat stitched seams, odour control
- Elasticated waistband

THERMOREG LEGGING

Sizes: XS, S, M, L, XL, 2XL

Overview:

- Tackle the cold and focus on getting the best out of your rugby training even when conditions get tough. Made with ThermoReg technology these men's leggings will keep you warm when you need it most providing essential insulation by creating a barrier against the cold so your body can retain heat for longer. From the moment you're warming up to after your exercise, these leggings will keep you feeling dry too by wicking away sweat from the skin and quickly drying off. Quick drying fabric also means you can wash today and wear tomorrow, ideal for regular sessions. Stretchy fabric and performance seams mean you can move around freely and easily without having to worry about chafing and an elasticated waistline gives you a secure fit. Ideal for training through the Winter months, these leggings are finished with a Canterbury logo - the mark of a true rugby fan!

Feature:

- ThermoReg - heat retention and thermal regulation
- Engineered fabric for body hold function

THERMOREG LEGGING K

Sizes: SB, MB, LB

Overview:

- Young rugby players can tackle the cold in confidence even when conditions get tough with these leggings. Made with ThermoReg technology they will keep little ones warm when they need it most providing essential insulation by creating a barrier against the cold so the body can retain heat for longer. From the moment they're warming up to after the game, these leggings will keep your child feeling dry too by wicking away sweat from the skin and quickly drying off. Quick drying fabric also means you can wash the leggings today and they'll be ready to wear tomorrow, ideal for busy parents and regular training schedules. Stretchy fabric and performance seams means your kid can move around freely and easily without having to worry about chafing and an elasticated waistline gives a secure fit. Ideal for training through the Winter months, these leggings are finished with a Canterbury logo - the mark of a true rugby fan!

Feature:

- ThermoReg - heat retention and thermal regulation
- Engineered fabric for body hold function

Made with VapoDri technology they will keep you cool and dry by wicking away sweat from your skin with quick drying fabric meaning you can wash today and wear tomorrow, perfect for busy schedules. An athletic fit allows the tights to move with you, without becoming thin when the material is stretched so you'll have no distractions as you train. A secure waistband pocket lets you store small items safely and high waistband gives you a secure and flattering fit. These tights are finished with a reflective Canterbury logo - the mark of a true rugby fan!

Feature:

- VapoDri - quick drying, breathable, wicks moisture, boosts evaporation of sweat
- Internal waistband pocket
- High Waistband
- Flat Seams
- Reflective CCC logo

THERMOREG LONG SLEEVE TOP W

Sizes: XS, S, M, L, XL, 2XL

Overview:

- Get ready to hit the gym or rugby training field whatever the weather. Made with ThermoReg technology, this women's long sleeve top provides essential insulation by creating a barrier against the cold so your body can retain heat for longer. From the moment you're warming up to after your exercise, it'll keep you feeling dry too by wicking away sweat from the skin and quickly drying off. Quick drying fabric also means you can wash today and wear tomorrow, ideal for regular sessions. This top is finished with a Canterbury logo on the sleeve and front - the mark of a true rugby fan!

Feature:

- ThermoReg - heat retention and thermal regulation
- Underarm gusset for added comfort
- Offset side seams for improved range of motion

PROTECTION

Because there's more
than meets the eye.

RAZE HEADGUARD AU

Sizes: S, M, L, XL

Overview:

- Keep your head in the game with our updated Raze headguard. The durable 360 padding absorbs high impacts from every angle while the release chin strap breaks under pressure for ultimate protection. And with added ventilation for more breathability, you'll always keep your cool.

Feature:

- Shock-absorbing EVA foam padding doesn't soak up sweat, so you can keep a cool head in the heat of the game.
- Soft and secure chin strap breaks under high impacts to minimise injury.
- Ventilation holes for added breathability.
- Plush lycra inner lining doesn't ruffle against your ears, for less noise interference, so you can focus on your game
- World Rugby Approved
